87 Delaware Road

Hatfield, CA 08065

I am writing to apply for the backend developer position advertised on LinkedIn. As requested, I enclose a resume and references in the next page.

The role is very appealing to me, and my strong technical experience and education make me a highly competitive candidate for this position. My key strengths that would support my success in this position include:

- I have successfully designed, developed, and supported live-use applications.

- I strive continually for excellence.

- I managed to create web apps & Apis with great experience.

With a BS degree in Computer Engineering, I have a comprehensive understanding of the full lifecycle of software development projects . I also have experience in learning and applying new technologies as appropriate. Please see my resume for additional information on my experience and skills.

I can be reached anytime via email at johndoe1@email.com or by phone at 555-555-5555.

Thank you for your time and consideration. I look forward to speaking with you about this employment opportunity. Sincerely, Signature (hard copy letter) John Doe

Sincerely,

Signature (hard copy letter)
